Give the gift of camp for 2020!

"The connections and memories made at camp help me to overcome hard things throughout the year. Having so many camp staff devoted to us gives us strength and makes us feel seen and cared for." --
Caregiver of a Brain Tumor Patient

We urge you to kick off the holiday season by helping to improve the lives of families facing brain cancer. Thank you to our community of volunteer staff and to all of you who have helped support and make our dream of camp a reality for so many families for the past six years!
